The Iowa Barn Foundation’s Preservation Award program recognizes historic barns which have preserved by their barns using modern exterior materials (i.e. metal siding and metal/vinyl windows).

Recipients of the award are invited to participate in our annual all-state fall barn tour and receive an award plaque to display on their barn.

Note: Barn interior must maintain a significant portion of the architectural detail of the original construction with allowance for some modern updates for personal, non-commercial usage).

To be considered, barns must meet one of the following criteria:

- No less than 50 years old
- Distinctive methods of construction or craftsmanship
- Contribute in a significant way to the appearance of the rural landscape and/or community identity
- The structure is associated with lives of persons or events significant to Iowa History

Explain how your barn meets one or more of the criteria (attach additional sheets if needed):

Note: Applications are only accepted from active member donors of the Iowa Barn Foundation. Member donors receive our spring and fall magazines which include barn tour information and barn related stories. Information on becoming a member donor starting at a \$50 donation can be found at the following website:
